TIREDWIRED (Gaffney)

I was wandering on down the road
Wondering oh which way to go
Lights are flashing blue and red
One missed step and I'll be fed
My rights to me by an honest man
Who lies and says he understands
How I live and where I been
But he don't know till he's in my skin

Cause I'm tiredwired and I'm so strungover
And I don't know if I will sleep tonight
Cause I'm tiredwired and I'm so strungover
I know I won't sleep tonight

Went on this run without a goal
Thinking I might find a home
But I lay my head in a gypsy tent
After all my money's spent
On coffee booze and cigarettes

Caps cocaine and high-grade sex
My friends tell me I should disguise
With sunglasses my bloodshot eyes

Cause I'm tiredwired and I'm so strungover
And I don't know if I will sleep tonight
Cause I'm tiredwired and I'm so strungover
I know I won't sleep tonight

It's 6 a.m. and I'm a walking fool
Looking for the swimming pool
Instead I find a banjo man
A cowboy and his 12 piece band
So we take a stroll down the mountainside
Hoping we can hitch a ride
Back to town from the safest way
Because at 2 the band must play

And we're tiredwired and we're so strungover

And I don't know if I will sleep tonight
Cause we're tiredwired and we're so strungover
I know I won't sleep tonight

Cause I'm tiredwired and I'm so strungover
I don't know if I will sleep tonight
Cause I'm tiredwired and I'm so strungover
And I know I won't sleep tonight
