UNLEASHED (Gaffney)

How can I give you what I don't got
Maybe I'm not the person you thought
Quit your pretending and just see me as
The woman who I am
I cannot tell you why, why I had to leave
All's I know I'm better this way
I'll make it this you'll see

So when will you walk away, I cannot watch you bleed
When will you say goodbye, I cannot watch you stay
And when will you watch, watch me fly
Fly so high, won't you fly away, fly away

Chances taken and choices missed
What can we do
Nothing about it now can help
What we thought we could
So look right in front, in front of you
There you may find
Your own answers too

So when will you walk away, I cannot watch you bleed
When will you say goodbye, I cannot watch you stay
And when will you watch, watch me fly
Fly so high, won't you fly away, fly away

Take your worries and throw 'em high
Burn them in the sun
Take your troubles and plant 'em deep
In the earth to sleep
Then listen to the beat, all the beatings of
The hearts that fly by your side
Along the road again

So when will you walk away, I cannot watch you bleed
When will you say goodbye, I cannot watch you stay
And when will you watch, watch me fly
Fly so high, won't you fly away, fly away
