BEFORE I GO (Gaffney/Lipke)

I can feel you breathing slow against my skin
I can feel you sleeping away all my sin

I can hear you thinking as you utter out a sigh
I can hear you breaking down inside

CHORUS:

Won't you lay beside me for another night
Won't you lay your sweet love on me before I go

I can see you stirring to the crashing waves
I can see you waking with the sunlight on your face

CHORUS

BRIDGE:

I wouldn't say I do if I don't
I wouldn't say I love you if I won't
Ain't no sense in covering up I just want your love

CHORUS
