LONE WOLF (Gaffney)

I wasn't looking for love
I had convinced myself I'd had enough
Broken hearts and dusty roads
Spell out what my future holds

I been around seen up and down
Met many men make many sounds
Was it wrong to sing to you
Was it wrong to say that we were through

CHORUS:

Like a grown man crying
Shivering in the night
Like a lone wolf sighing
Afraid of the light

There's this guy he never cries
And with his eyes he testifies
If he don't realize
He might disguise his lies with a smile

CHORUS

Bridge

CHORUS

I wasn't looking for love
I had convinced myself I'd had enough
Broken hearts and dusty roads
They spell out what my future holds

CHORUS
