PLEA TO BE (Gaffney)

I ask you please don't take too long  
To muster up another song  
Cause you might wake up tomorrow without a home  
And ask yourself why'd I wait now she's gone  
Oh now she's gone

So why don't you give it a try  
And let your self go out at night  
It's not as scary as you believe  
Go ahead put your heart on the line so you can breathe  
So you can breathe

And if you decide to answer me no  
I'll stand back and wave at you as you go  
But I cannot let you fall away  
Without having one last song to play  
Go on and let all play
