HIGHWAYS (Gaffney)

She been thinking about him
And how it used to be
And he been thinking about her
Wondering where she sleeps
And the nights are getting warmer a
And by his side she lies
But never does she deceive him
He hears it in her cries

Chorus:

Highways they beckon her to follow
Blindly into the hills
What they're pouring she's more than glad to swallow
Until she's had her fill
Until she's had her fill

He left her in the driver's seat
While he ran inside
She was looking for something to keep
Her heart from flying

Highways...chorus

She been running circles
Far away from him
The sky was turning purple
As the night sets in

Highways...chorus
